

# Introduction to App Development using **Flutter**

Presented by T. Nadhim

# App Development

Top 6 Mobile App Development Frameworks For 2024

Flutter	React Native	Ionic
Xamarin	Kotlin	Swift

The image shows a dark purple rectangular card with the title "Top 6 Mobile App Development Frameworks For 2024" in white. Below the title is a 2x3 grid of six cards, each containing a framework logo and its name. The logos are: Flutter (blue K), React Native (blue atom), Ionic (blue circle with dot), Xamarin (blue hexagon with X), Kotlin (purple K), and Swift (orange bird).

# Why Flutter?

01. Front end +  
Back End

02. Cross  
Platform

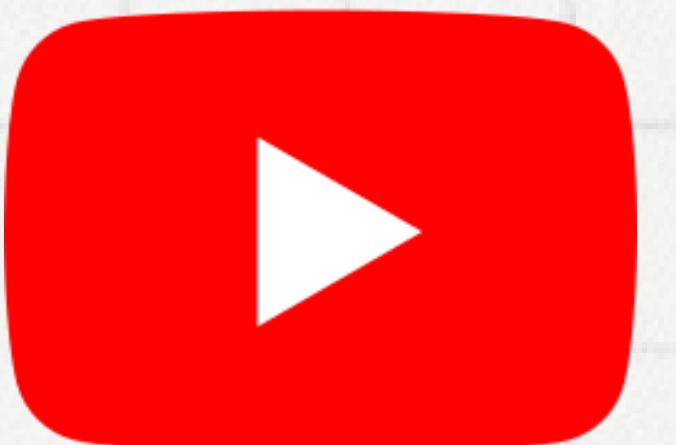

03. Widgets
